The KISS Program helped me to understand the key concepts of management and how easily and simply they work into my management day-to-day practices.

Diane Christian, Manager, Aurora Public Library

## International Business Leader

Peggy Pattison translated the complexities of organizational dysfunction into SIMPLE steps for transformation and success for leaders and managers to create peak performing work teams!

Dr. Ralph Stowe, CEO, Pro-Quality Management

## Executive in Marketing

Your talk was of a professional caliber far above anything I've seen from content, delivery and relevancy. You also have a professional presence and an ability to relate to an audience that you usually see only with celebrities and highly paid motivational speakers. Scott Heller, CEO, Logistics Pro,

Chicago, IL

## Banking Executive

My name is Toni Fasan, AVP/Business Relationship Officer for Republic Bank of Chicago. Recently I attended a luncheon for the Plainfield Area Chamber of Commerce where you were keynote speaker. ....I wanted to share how much I enjoyed your talk. Your content was entertaining and motivational....You have such a positive personality, it felt like you were talking to an entire room of old friends! Thank you.
